Dated 17th October 1903

To

H. V. Nanjundayyah. Esquire, M.A, M.L,
Secretary to
the Government of Mysore,
Revenue and General departments,

Sir,

I have the honor to bring to your kind notice that in para 9 of clause (1) of section 20 of the Local Boards Regulation II of 1902, it is laid down that 'the sale proceeds of grass... not vested in private individuals' shall be placed to the credit of the district Funds. I beg to know whether by the above provision, it is intended to credit to these funds the income from the grazing of the assessed pasture lands, which is now being credited under Land Revenue (vide column 23 of form No. 4 Revenue - Statement of demand Collection and Balance under Land Revenue). In the rules under the Regulation, this has not been explained.
